## Company Profile: CJG Africa (Pty) Ltd.

*Corporate Jet Group Africa: Energy in motion*

CJG Africa would like to take the opportunity to introduce our company to you and offer your company our unique expertise.

CJG Africa is a Corporate Aircraft Charter and Management company based at Lanseria International Airport, South Africa. The company was opened in 2012 by experienced aviation entrepreneurs and has grown from strength to strength through the years.

CJG Africa Offers Competitive and Quality Services in the following fields:

- Corporate Aircraft & Helicopter Charter (Corporate, Contract, Personnel Transport & Tourism)
- Aircraft Management
- Sales (Fixed wing, Helicopter, Vessels and Property)
- Fixed Base Operations
- Global Aircraft Leasing and Contracts
- Global freight transport
- Aircraft Retrieval/ Ferry/Repossessions
- Refurbishment
- Rebuilds
- Crew Training

Our Operation is handled with the professionalism, quality and safety required by the corporate clients we service.

CJG Africa specializes in Chartering Corporate Turbine and Jet Aircraft as well as Corporate Helicopters to a targeted market and client base, offering a better service and supply of goods direct to the client, servicing mainly: Captains of Industry, Mining houses, Construction Companies, Contractors, Hotels, and Funeral Companies in South Africa, Africa and Globally.

CJG Africa caters for all requirements and is able to provide fast transport from 1 passenger up to 100 or more if need be without sacrificing quality or safety! This is largely due to the fact that CJG Africa utilizes a unique and dynamic management style that is completely client based. Our aircraft meet the highest standards as set out by the mining industry (BARS) and the South African Civil Aviation Authority, all maintenance is completed by the most experienced engineers in the industry, guaranteeing the best possible service our aircraft and personnel can provide.

CJG Africa is able to provide all companies requiring aviation services on a short or long-term basis a complete solution.

Our company operates 24hrs a day throughout the year offering the client one of the fastest quoting and charter operations Africa has to offer. With our current vision and client service we are able to offer well above industry turn around times on flights while still being very competitive.
